

## 5. I STILL LONG FOR LOVE.

When we were young<sup>D</sup>  
I once believed that we'd see kingdom come<sup>G</sup>  
I once believed that Christ would come an' save everyone.<sup>D Bm</sup>  
Long ago. When you and I were young.<sup>G A-A7 D-G-D-D!</sup>

When we were young<sup>D</sup>  
I once believed we'd do what should be done<sup>G</sup>  
I once believed that all of us would right every wrong.<sup>D Bm</sup>  
Long ago. When you and I were young.<sup>G A-A7 D-G-D-D!</sup>

Those days are gone<sup>D</sup>  
But I still long for love to fill my soul.<sup>G</sup>  
I still long for love that floods my soul to overflow.<sup>D Bm</sup>  
Like it did - so very - long ago. (x2)<sup>G A A7 D-G-D-D!</sup>
