

38. LIVING IN ETERNITY (ALWAYS)

Funk

Dave Andrews

The days that go by be-come days that are gone An' there's
time e-nough yet to come. The years have grown wings and the
years have flown But my time still am-bles a-long. Seems like we're liv-ing in e-
ter-ni-ty, There's al-ways time to spare. Seems like we're liv-ing with the
cer-tain-ty, There's al-ways time to care. Al-ways time to care
yeah Al-ways time to care There's
time for si-lence be-fore the Lord There's time for all to be still
time to spend with the fam-i-ly There's time to play with the kids
